

PIONEER

UNDERWRITERS

Pioneer North America PL

Our North America PL team is a consortium backed 100% by a major Lloyd's syndicate, enjoying all the security rating and licenses of the Lloyd's marketplace.

We are located in the Lloyd's building and retain all underwriting authority in house. Our capacity is up to \$7.5m on any one risk, we embrace the subscription approach offered by the Lloyd's market and are happy to offer both lead and support capacity on a Primary and Excess basis.

We pride ourselves on building an in depth understanding of our customers business and strive to deliver a bespoke product, offering true risk transfer solutions for the professional liability needs of firms based in the USA and Canada.

With a combined experience of over 60 years in the Lloyd's and London insurance market we take care to fully review, understand and assess our customers exposure. We welcome the opportunity to work with both customers and their brokers in this regard.

Our Services

- Law firms
- Architects and Engineers
- E&C and Construction companies
- Management Consultants
- Accountants

We also underwrite miscellaneous classes of E&O and Healthcare of Professional Liability.

The Pioneer Approach

We believe our experience and reputation in the market place allows us to offer our clients the chance to use us as a cornerstone upon which to build their programs. We appreciate the need for strong primary and first excess layer placements and we are recognised lead underwriters in these layers.
